### REPORTS

#### COMPOSITE REPORT OF DISTRICT SUPERINTENDENTS

Louisiana Conference—1962-1963—New Orleans, Louisiana

MAY 28-JUNE 2, 1963

Bishop Moore, Ministerial and Lay Members of the Louisiana Annual Conference:

We, the District Superintendents of the Louisiana Conference, are happy to make a report of the work done by the ministers and lay members of the Conference. Under God's guidance the work of the four districts has progressed as follows:

#### BATON ROUGE DISTRICT, Rev. Carl T. Wethers, District Supt.

The Conference year of 1962-63 on the Baton Rouge District has shown some marked progress. Many of our churches have taken forward steps in organization, and this has been demonstrated in the fine co-operation existing among our pastors and the very loyal laymen.

Several of our churches have held exceptionally well planned Leadership Schools in Missions, Christian Education, Stewardship, Christian Social Concerns and the work of the Local Church.

The Baton Rouge District Board of Lay Activities is one of the best in Methodism. During the year monthly meetings have been conducted across the District and speakers have come from our General Boards, Gammon Theological Seminary, our local university, and from the several local churches. We have also given aid to the young men on the District who are presently students in the Seminary.

The Ministers' Wives have toiled well in assisting our Pensions Program as will be reflected in their report later in the Conference session.

Several of the churches have been engaged in remodeling, rebuilding and the acquisition of additional property for expansion and the building of new parsonages.

Though the center of the District is in a highly industrialized area, many of our members have been unable to find employment, and many others are faced with and are facing lay-offs or forced early retirement. These factors have created a semi-recession; but despite all, most of our laymen have been loyal in their support of their respective churches.

With one or two exceptions, the health of our ministers has been excellent, as well as that of their families. We suffered the loss of one of our retired ministers, the Rev. J. A. Williams, and as this is being read, another of the retired ministers is confined to Charity Hospital—Rev. Ephraim Freeman.

We look forward to the new Conference year and pledge our whole-hearted support to the on-going program of the Church, moving forward in the Name of God Our Father and Christ Our Lord.

#### NEW IBERIA DISTRICT, Rev. T. E. McElroy, District Supt.

There are 49 churches and 27 pastors on the district.

Alexandria: Newman, under the leadership of Rev. Samuel W. Walker,

is now free of an \$8,000 indebtedness and the mortgage-burning ceremony has been held. All claims paid in full; every service an evangelistic one, and new accessions have been made.

*Alexandria-Wilton*: Rev. Patrick Perry, pastor, has given every Sunday here, and has moved in and out through visitation.

*Baldwin, Trinity*: Rev. Abraham E. Davis closed his third year at this church. All claims have been paid. *Berwick-Mason*, under Rev. Davis' leadership closed the year with success.

*Beattieville*: Rev. L. L. Streams, Jr., Pastor. Several repairs have been made which make the sanctuary conducive to worship.

*Boyce Circuit*: Rev. C. H. Green, pastor. New pews have been installed; an annex, kitchen and fellowship room have been added to the church.

*Booneville*: Rev. A. L. Hines, pastor. This church is striving to reach its goal.

*Bunkie*: Rev. Matthew Thomas, pastor, has given good leadership to Ella Circuit despite handicaps.

*Charenton*: Rev. King Alexander, pastor, has led this congregation for five years.

*Crawford Ct.*: Rev. J. M. Poledore, pastor, has led this congregation for three years.

*Franklin Ct.*: Rev. R. M. Brown has given good leadership during his first year at this charge.

*Glenmoria Ct.*: Rev. Taft Bowie closed the year here with some measure of success.

*Houma*: Rev. Henry Gage, pastor. The church has been cleaned and painted. Fine leadership has been exhibited here.

*Jeanerette-Olivia*: Under the leadership of Rev. A. D. Edwards, pastor, St. Paul Church, Jeanerette, has completed and attractively furnished its educational building.

*Lafayette Ct.*: Rev. Moses T. Jackson, pastor. Here a modern brick church has been completed at a cost of \$45,000. All claims have been paid in full; repairs have been made at Crowley, and \$450 in improvements at Briggs.

*Lake Charles, Warren*: Rev. R. S. Taylor, pastor, has the church well organized and all claims have been paid in full.

*Leesville*: Rev. R. H. Harry, pastor, has made a good report and his leadership is appreciated.

*Morgan City*: Rev. Marshall Wesley, pastor, has closed his third year as pastor in a creditable manner.

*New Iberia, St. James*: Rev. S. J. Thomas, pastor, has been handicapped during the year due to illness; nevertheless the treasurer's report will reflect credit here.

*Opelousas, St. Mark*: Rev. J. C. Calvin, pastor. A baptismal fount, communion table, and other additions have been made under his leadership.

*Pineville*: Rev. Samuel Walker, pastor. A fine spirit exists here. A new organ, pulpit furnishings, dorsal, heater, and clock have been purchased, and all claims paid.

*St. Peter Ct., Jeanerette*: Rev. H. J. Rhyan is giving good leadership here.

*Thibodaux Ct.*: Rev. L. A. Williams is the energetic pastor. All claims have been met in full.

*Washington Ct.*: Rev. E. P. Riley, pastor. The charge has had a successful year.

*Woodlawn*: Rev. Peter Hayes, pastor, has closed his 10th year as pastor here.

*St. Martinville*: Rev. W. H. Davis, Sr., has closed seven successful years at this charge.

The district leaders have done a fine job in carrying out their special duties.

We are proud of the work that Sager-Brown Home is doing in shaping the lives of the children and youth.

### NEW ORLEANS DISTRICT, Rev. N. H. Baker, District Supt.

The loyal and sacrificing pastors and laymen of the New Orleans District have proved themselves good Methodists during this Conference year. The year has not been uneventful. Sickness and death have invaded our ranks. The district superintendent and wife, the Revs. E. A. Kennedy, Jr. and C. O. Greene have been gravely ill during the year; T. R. Wallace, Sr., was translated in January. Mrs. Inez Porter Harris passed to her reward at the beginning of this conference year. Many leading laymen in our churches passed during the year. These losses cannot be replaced. The evangelistic fervor on the district has brought longing souls into the Christian Church.

### FINANCES

Church debts have been reduced. Several edifices have been renovated, notably, *Williams* and *Haven* Churches. *St. Matthew* has been brick veneered and gives Methodism a lift in Algiers. *Peck* paid its debt in full a fortnight ago. *Slidell Circuit* is raising funds to build on the highway. Conference and district askings have been paid in full by the majority of the charges. Almost 2,000 subscriptions for the *Central Christian Advocate* were received.

### ORGANIZATIONS

The New Orleans District does not have an active District Board of Lay Activities; the monthly meetings of the Woman's Society of Christian Service, the Wesleyan Service Guild, Methodist Men, Methodist Youth Fellowship, Ministers' Wives, and District Choir, keep the laymen active. A Lay Speakers training course was conducted and certificates were awarded for completion of the course. Numerous Schools of Missions and study courses have been conducted during the year.

### CHARGES

Four young pastors have given yeoman leadership during the year: Robert Williams at *Hahnville*, A. J. Douglas at *Laplace*, Bernard R. Smith, at *Mandeville*, and J. D. V. Hamilton, Jr., at *Thompson*. F. W. Thomas

and LeRoy Fields, two retired ministers, have led their charges in paying all claims in full. *First Street* and *Trinity* led the district in paying one-twelfth of the Conference askings every month.

## HIGHLIGHTS

The district joined the General Church in the Mission to America with a Japanese Missionary bringing messages on our sub-district level. The Aldersgate Observance was held with Bishop Moore delivering the message. The membership of the district will show a decrease because the churches are correcting their membership rolls and dropping the names and number of people who have moved away for more than five years. An Oxford Club has been organized to encourage our young people to enter Christian vocations.

### SHREVEPORT DISTRICT, Rev. W. S. P. Norris, District Supt.

In May of the year of our Lord, 1962, the Shreveport District began its labor for the Conference year 1962-63. Somewhere above its work was inscribed the Quadrennial Theme: "Jesus Christ Is Lord," and the sub-theme for the year, "You Are the Church." The program of the year was molded time and time again with other smaller movements instrumental in re-discovering the church In Our Home, In Our Hearts, In Our Hands. We are thankful for the Chinese proverb which became a part of our toils: "God never closes the door in a man's face without opening a window."

The district attempted to answer God's call in the challenges of clinics, institutes, leadership enterprises, and retreats. Each of the 22 charges and 44 of the 46 churches were visited in some fashion by district activities.

Beginning in the area of Christian Stewardship, there were three workshops held with a combined attendance of 175 persons. In the area of Education, each sub-district was organized and proceeded with visitation teams to each local church school. There they made a survey and advised how to improve the program of Christian Education.

The largest delegation to attend the MYF Institute (in the conference) came from the district—66 in number. Representatives attended the Area Youth Convocation at Wiley College and the Family Life Convocation in Chicago, and the Leadership Training School at Gulfside.

The recipient of the Beulah L. Williams Scholarship Fund, Freddie Henderson, has been keenly watched and advised as he follows his course of study at Wiley College.

The Church Attendance Crusade and a workshop on Evangelism have been very beneficial to the ministers. March was the "Month of Evangelism." Over 1,000 members participated as 12 nights were observed throughout the sub-districts with the guest evangelists coming from each sub-district.

The month of May was designated as "Aldersgate Month." Retreats were held on successive Saturdays, beginning at 6:30 a.m., with leaders and Emphasis Speakers.

Mission Rallies and Schools of Missions for the several sub-districts were held, and mission projects included collecting clothes for the needy and blankets for Algeria, and the promotion of mission study in the

local churches. The pastors' clinics devoted time to all these areas, and to the improvement of worship.

The laymen proceeded to develop a program of more lay participation. They participated as leaders in all of the leadership ventures, and led in the equipping of the district office. They observed Laymen's Day with services on each sub-district, as well as supported the first Lay Speakers' School where certification was approved by the district Board of Lay Activities and the presiding bishop of the Conference, Bishop Noah W. Moore, Jr.

Three representatives attended the "Aldersgate Convocation for Supply Ministers" at Purdue University in January: Revs. R. S. Murray, S. P. Sanford, and A. L. White.

A movement to start a church at Grambling College is well on its way with 210 subscribers to "Honor Helpers." This movement is in the area of Church Extension, and the newly organized District Missionary Society will continue its work.

*From the Charges:*

*Bastrop-Mt. Olive:* Plans are underway for a new parsonage by 1965. This congregation, under the leadership of the Rev. Donald Frank, was the second to complete all district and conference askings.

*Washington Circuit:* These three churches, with the Rev. R. S. Murray in his 9th year, have wrought miracles. Washington Chapel Church was the third church to meet all district and conference obligations, as well as to pay the debt of the church in full. An increase of 30 members is notably announced. The highest increase in askings was received by this charge.

*Belcher-Minden:* The Rev. Daniel Moore, pastoring only a few years, and the two congregations labored well. A special commendation to Pilgrim Rest (Minden) who, for the first time, met all obligations, although very much in need of a new church. This church has progressed more than any one church on the district in realizing that they are a connectional church.

*Mansfield Circuit:* Excellent work has been done by this charge, and the outstanding progress by Wesley Church is foremost. Having a sizeable increase in conference askings this was the first charge to pay out, and Wesley continues to retire debt of new parsonage. Rev. C. J. Harrison is to be congratulated.

*St. James, Monroe:* Approaching new heights under the leadership of Rev. J. F. Johnson, this church is highly organized; and the lay leadership is much improved.

*St. James, Shreveport:* Completed debt on church and purchased a parsonage for the minister, Rev. J. L. King, Jr., and family.

*St. Peter:* The smallest membership of any station charge in the conference, this charge gave a 50 per cent increase on pastor's salary. Rev. James Johnson is the pastor.

*Asbury:* This charge, under the leadership of Rev. G. L. Thomas, is being felt more in the community by planned activities and having a deeper sense of gratitude by being real Methodists.

*Jewella*: Installed rest room facilities in church under the guidance of the pastor, Rev. B. J. Haynes.

*Johnson Circuit*: These three churches could become one of our strongest appointments in the conference. Newlight and Johnson churches plan renovation, under the leadership of Rev. J. P. Sanford.

*Pleasant Hill Ct.*: Taylor Chapel plans to complete church building in the very near future. Rev. Lee C. Jennings is directing all activities.

*Logansport Ct.*: Mt. Zion paid off debt of church 18 months ahead of time and was dedicated on the first Sunday in May. Rev. J. W. Scott is another one of our newer ministers.

*St. Paul, Shreveport*: Under the leadership of Rev. W. R. London, Jr., this church continues to move toward total renovation. Organ was paid for and dedicated this year.

*Fairfield*: Continues to show strength in decreasing debt of new church and parsonage, and in organization. Rev. E. C. Slater is striving to lead in the right direction.

*Health*: The following ministers experienced periods of illness: J. F. Johnson, R. S. Murray, B. J. Haynes, E. C. Slater, James Johnson, Donald W. Frank, W. R. London, Jr., and C. J. Harrison.

*Deaths*: Hubbard Daniels, C. C. Smith (retired), B. F. Brown (retired). Death visited other ministerial families: J. L. King, Jr., R. S. Murray, J. F. Johnson, Lee C. Jennings, and W. S. P. Norris. All of these brethren lost close relatives.

*Woman's Society of Christian Service*: On June 1 the newly elected president, Mrs. Anna Gillyard, will take office. This Conference year Mrs. Ardelia Scott led this group very successfully, and all quotas, including pledge to missions, were paid in full. Five women attended the Conference School of Missions at Sager-Brown Home and Godman School.

*Marthaville Ct.*: Wesley Church of this charge has fewer members of any church in the conference, yet it has met its claim in full.

*Thomas Ct.*: Improving under the leadership of Rev. M. M. Goldman, one of the newest ministers.

The District Superintendents would like to thank the ministers, their wives, and laymen for the splendid cooperation they have given this conference year and we trust that your support will be given to the churches for the years to come.

We express our appreciation to Bishop and Mrs. Noah W. Moore, Jr., for the very fine leadership they have given this year, and we ask God's richest blessings upon them as they labor in the service of the Master.

We pray for the continued success of the conference and of each minister who shall receive his reward from that righteous Judge.

## REPORT OF THE ANNUAL CONFERENCE TEAM "Our Mission Today"

Since many of our motives which prompt human behavior are derived from the materialistic and secular aspects of our culture, it becomes urgent that we re-examine the mission of the Christian church for our times. Now man devotes his energy, his time, his talents to that which he considers valuable or profitable. Among these are employment, education, recreation, investments, and the like. These are all relatively important

for they give a measure of social status but their obsession does not lead to balance nor abundant living. There must be added another ingredient which is the basis or purpose of our study.

We identify religion with worship, rituals, ceremonies, prayer, hymns, and sermons. We must also view religion as being basic for the whole of life; it must find application in all our interactions and associations whether economic, social, or political in origin. It must come to grips with our current and recurring social problems. It must serve effectively in the eradication of social evil even when reference is made to Birmingham, Nashville, Jackson, or other section of our country. What is the purpose of the study "Our Mission Today"? This study is to help man in his search for God. To realize that Christ is alive in the twentieth century, to understand the nature of the organizing principle of man's life, that the central core of his existence is God—that all social concerns must ultimately relate to the Christian ideal. The relevancy of the Christian ideal must be brought into sharp focus. Our purpose in this study is to help make it clear to all that the key person in our contemporary world is Christ, that he speaks to us today in suburbia, in the cities, in the rural areas, even as he spoke to those in Palestine.

"The old order changeth yielding place to new and God fulfills himself in many ways." A new age emerges. Part of our study is to try to understand its meaning for us:

We are witnessing the birth of an exciting technological world. We must react and respond to it. We are viewing the decline of the Western world from its once dominant position of cultural, political and economic influence. Europe and the United States will no longer dominate Asia and Africa. We will be concerned with our relationship to the Communist states. There will be established new relationships among the World Religions (Hinduism, Buddhism, Islam, and Communism). We will witness the emergence of a world-wide Christian Church. This is our study when we concern ourselves with The Mission of the Church Today.

To characterize our patterns of living observation reveals that secularism pervades our entire culture. It filters down in our schools, churches, homes, institutions for many of our programs and projects are designed and geared to improvement of social status. There can be no question about the fact that we live in one of the great transitional periods of history marked by scientific advancement, technological change, new inventions and new patterns of living. Our modes of thoughts and our actions are geared to the kind of economy in which we live. We must not, however, take the part for the whole.

Scientific knowledge and technical skills however valuable do not provide the means for distinguishing between right and wrong, truth and beauty, justice and injustice, cruelty and mercy. The moral and spiritual values by their omission are made to appear relatively unimportant. Our reliance upon the scientific method and approach for the solving of life's problems is an insecure foundation. The complete refinement of our culture cannot be accomplished in this fashion. Changes in attitudes and ideals will come as men consciously re-assess their values and as they remember that at the center of all institutions, of all families, of all in-

dividuals there must be the recognition that God is sovereign in the universe.

In the final analysis we must live by faith alone—not by our achievements, nor even the goals that we have established for ourselves and our children, but rather the recognition that God has a sovereign purpose that all men should find wholeness.

This is the work of the church: The church must be re-dedicated to its basic and primary function if it is to successfully combat materialism and secularism existing in our culture. While we shall continue to emphasize the importance of church budget (and I might add parenthetically that even this Commission for this Mission Study needs some type of a budget as well as re-imbursement for its stay in St. Louis) while we emphasize building programs, community projects, cooperation with the social agencies of the community, above all else the church must cry aloud, it must proclaim in every Hamlet, town, village and city that Jesus Christ is Lord and Sovereign that supreme allegiance must be given to Him. This is the purpose of our Mission Study. The several speakers will explain in detail how this study is to be carried out in every local church of the Conference; Our theme is fourfold: (1) We focus upon The Faith That Compels Us. (2) The Factors That Confront Us, (3) The Frontiers That Call Us, (4) The Program That Unites Us in Christian Service.

### **REPORT OF THE BOARD OF EDUCATION MAY 31, 1963**

Bishop Moore and Members of the Conference, through Divine Providence we have come to this moment with a bit of humility and pride, as this completes the first year of my serving as Chairman of the Board of Education. You can rest assured it has been a year of orientation.

In order to have a more effective program of Christian Education, we feel that all ministers should first become interested, and organize a Commission on Education in every local church. The chairman of the commission should be acquainted with the Methodist Story which can be used as a guide in planning the year's work.

There should be more training sessions in more of our churches during the course of a year. The Chairman of Adult work, Youth Work, and Children's Work on the District level can be called in to help plan and direct such sessions. Also Commission Chairmen from other churches, who are carrying on a successful program in their local churches, could be invited to share their experiences. We can learn and make great strides by getting together, planning, and discussing the total program of the church.

This year many have dedicated themselves to the program of Christian Education, and have made sacrifices beyond the call of duty. The Board of Education of the Louisiana Annual Conference is and will ever be grateful to you individually and collectively for all you have done.

It was in the late evening of April 20, 1963, just after a successful Christian Vocational seminar conducted at St. Paul Church, Jeanerette, New Iberia District, under the leadership of Mrs. J. C. Calvin, that our Executive Secretary, Edward A. Kennedy, Jr. met with an accident which hospitalized him. In spite of his confinement, he has been able to carry on

from his bedside. The Board is deeply grateful to those who have so ably assisted him during these days, and we are indeed grateful to Bishop Moore who has permitted his office Secretary to be of service to our Executive Secretary.

### SPECIAL RECOMMENDATIONS

1. That Edward A. Kennedy, Jr. be employed as full-time Executive Secretary after consultation with the Bishop and the Cabinet.
2. That the names of Robert S. Taylor and Mrs. Darcus G. Page be included as members of the Board.
3. That the third Sunday in May be observed as Ministry Sunday in all Churches.
4. That each charge will accept a minimum of 25¢ per member for Church School Rally Day; a minimum of \$1.00 per member for Race Relations Day; and 25¢ per member for Methodist Student Day.
5. That each District will provide for and increase a budget for Christian Education.
6. That each District organize a Special Day Activity Committee having as least 10 laymen, 3 ministers and 1 District Staff Representative to promote all Special Days Activities (Names to be sent to the Board of Education along with addresses).
7. That we attempt to have a full-time Conference Children's Worker and a full-time Conference Youth Worker as soon as possible.
8. That the Conference continue its plans at Southern University to organize a Wesley Foundation, and also near Grambling College.
9. That the "Extra Mile" donations from Districts be encouraged whereby that District's program on Christian Education will broaden.
10. The Board also recommends that provisions be made to hold an Annual Workshop for workers in Christian Education on each District with the various workers in all departments in attendance.

We express our gratitude to Bishop Moore and the District Superintendents for their interest in the work of Christian Education during the Conference year and pray that the Almighty will give us all courage to do a greater work.

Samuel W. Walker, Sr., Chairman

**SUMMARY REPORT OF EXECUTIVE SECRETARY  
LOUISIANA ANNUAL CONFERENCE BOARD OF EDUCATION  
THE METHODIST CHURCH**

Bishop Noah W. Moore, Jr., and Delegates to the Ninety-sixth Session of the Louisiana Annual Conference, The Methodist Church, we are submitting a Summary Report to the Annual Conference with the pledge that every delegate will be sent a detailed report later. This has become necessary due to my physical status caused by a head-on collision on Highway 90 in line of duty.

**SUMMER AGENCIES**

Our summer agencies this year maintained the same high quality experience (learning) for those who participated. The leadership was excellent, the program timely, addressing itself to the needs of our local churches. Among those which were notable are:

Area Youth Convocation  
Area Leadership School  
Methodist Youth Assembly

## LEADERSHIP SCHOOLS

While there was a decrease in the number of District Leadership Schools this year, there was more than compensation with the tremendous increase in local Church Schools. These trends give us much hope in the development perspective among our local church ministers in their approach to the ministry of education. Too, it is within the local churches that any conference program wants to find full fruition.

## LAY-WORKERS AND VOLUNTEERS

While much can be said about those dedicated conference and district directors who serve without reward, much could be said about the problems which exist on the several districts in facilitating the work. Too, there is a great need for re-evaluating this approach to eventually reach the local churches in assisting there in the ministry of education. There are some thirty-five active workers throughout the conference, but there is a need for approximately twice this amount.

## THE ADULT DIVISION

Our program of adult work continues to lag behind the other areas in the program of Christian Education. In spite of the great needs, relatively few local churches report adult classes in the Church School. Too, with the great need for bible study as a basis for developing ethical characters and training within the homes of our youth and children, very little is being done.

## THE YOUTH DIVISION

The Youth Division continues to be that area of our work which leads the others. This is due to the great challenge as well as the many dedicated leaders around the conference on the several districts who work very hard. We continue to meet in institutes and workshops more and more youths each year.

## THE CHILDREN'S DIVISION

With the new curriculum which is scheduled for 1964, unfortunately we have not been successful in reaching the workers with children as is needful if we are to use the new curriculum materials effectively. This is an area where much of our attention needs to be directed. Nevertheless, more and more of our churches (especially the larger churches) are doing a more effective job.

## CHRISTIAN VOCATIONS

There were several effective Career Day Conferences (District-Wide) with the aim of acquainting our youth with the philosophy of Christian Vocations, and recruiting for full-time Christian service.

It is our continued prayer that we as a conference will work as a team, planning, organizing, using to our best ability all of the resources available to strengthen the local churches and its members in making a corporate witness for Him who sent us to teach all nations.

Edward A. Kennedy, Jr.

## REPORT OF BOARD OF EVANGELISM

Our Methodist Heritage calls for a warmed heart, a searching of the scriptures, a spiritual venturing, and a concern for the salvation of the whole man. It is only when every congregation, on every district of the conference, actively effects these challenging principles, can Christ be enthroned in the life of our day.

Aldersgate Observance during the past twelve months has left an inspiring imprint on the hearts of the members of the Churches of the Louisiana Conference.

The New Orleans District held an Aldersgate Convocation with Bishop Noah W. Moore, Jr. the main speaker and all the pastors participating in various capacities. An Oxford Club of prospective Methodist Preachers was formed with Senior High School and College young men as members. More than twelve hundred persons of several denominations attended the Convocation. Some of the local churches conducted cottage meetings during Lent with prayer cells and studied the book, "Romans Book of Power." One Twenty-four Hour Prayer Vigil was held in one church.

Ten Churches observed Aldersgate Week May 19-26. Special services centered around the May *Together Magazine* Aldersgate Issue, the booklet "Aldersgate Is for Us," and "Martin Luther's Preface to the Romans. Hundreds of people were spiritually enriched by those many activities.

The Shreveport District conducted four sub-district Aldersgate Retreats on consecutive Saturdays during May. These Retreats began at 6:30 A.M. and ended at 1:00 P.M. More than six hundred adults and youths registered in these Retreats. Romans: Book of Power, John Wesley's notes on Romans, Abundant Life Through Aldersgate, and A Primer of Beliefs for Methodist Laymen formed the basis for the discussion groups at the Retreats.

The Hymns of The Wesley were sung by thousands of people throughout all districts where Aldersgate was observed.

But Aldersgate is no camping ground, it is stamping ground where the Church finds new footing for marching into 1960's 70's and 80's.

The statistical reports reflect some growth in membership but just enough to inspire us to March for Christ in finding more hearts and lives for Him.

Let us with a new sense of dedication make this Theme: "Going Deeper in Order to Go Forward," our rallying cry for the next twelve months.

### I. We Must Go Deeper

- a. To study the *Book of Acts* to find marching order for our day.
- b. To let the Holy Spirit baptize us in Christ.
- c. To offer guidance to Young Preachers who want to know the power of evangelism in their own life and ministry.
- d. To encourage *Small Groups* for prayer, study and witnessing as the heart-beat of our movement.
- e. To challenge ministers to a greater concern for people and parish in a bolder evangelistic expression.

## II. We Must Go Forward

- a. To emphasize again the power of the pulpit in calling men to Christ.
- b. To Stress *Lay Witnessing* as the genius of Methodism.
- c. To undergird the *Recruitment Program* for the ministry.
- d. To share a *Campus Concern* for Jesus Christ as Lord.
- e. To use the Church School as an effective instrument in winning persons on profession of faith.
- f. To follow the footsteps of Paul in *establishing new congregations*.

## III. We Must Continue with—

- a. Family and Home Evangelism.
- b. Two or more weeks of Visitation Evangelism and Lay Witnessing during the year.
- c. Utilizing Christmas, Easter, Pentecost and the summer months for reaching unchurched people for Christ.
- d. Teaching youth and young adults the Great Heritage of Evangelism Methodism.
- e. Getting people for Christ into the Church; because *People Is Our Business*.

Signed:

Richard W. Calvin,  
Secretary of Evangelism

## REPORT OF LOUISIANA CONFERENCE LAY LEADER

Bishop Moore, District Superintendents, Ministers and Laymen:

The Conference Year 1962-63 has been one of progress in many ways. There have been many increases in attendance and participation in programs sponsored by the Board of Lay Activities on all the Districts. We have had members of the General Board to conduct seminars on various divisions, and scheduled for this year are several. I wish to mention that the Baton Rouge District under the leadership of J. D. David is doing a wonderful job. The Shreveport District, with its large territory, has for its director the energetic young man, W. C. Patterson, and is making fine progress. The New Orleans District, under the able leadership of Oscar Jamison and his associates, this year have moved forward in a great way with a Methodist Men's Club, the best in the Area. The New Iberia District, under the guidance of George Cooper is also doing well. The Board is carrying out the policy of the General Board by putting into action its program. We visited on the various Districts and made several addresses during the conference year, also attended the General Board of Lay Activities Conference in Chicago. We shall attend the national meeting of Conference Lay Leaders to be held in Evanston, Ill. this fall. We have presented to the Commission responsible for appropriations, a budget of One Thousand (\$1,000.00) Dollars to carry on the program for this year. We shall assist young men and women in seminaries who have pledged to return to the Conference for service after completing their studies. We are also working toward an increase in salaries and better housing for ministers and their families, along with

increased pensions, more modern churches, and it's our greatest desire to see not a 5 per cent but a 10 per cent gain in membership during the next year.

The Louisiana Conference Board of Lay Activities wishes for Bishop and Mrs. Moore continued success in all of their undertakings and blessings upon their work.

Yours in Christ,  
Monroe T. Stringer, Jr.  
Conference Lay Leader

## REPORT OF THE CONFERENCE MISSIONARY SECRETARY

Bishop Noah W. Moore, Jr. and Members of the Conference:

The essential task of the Conference Missionary Secretary and the Board of Missions is to help the people called "Methodist" grow in their understanding of the mission of our Lord and to bear relevant and effective witness to the Gospel in a world that has lost its Spiritual bearings, a world dizzy with change, a world incalculably rich in the possibilities of material progress, yet living in daily fear of annihilation. We seek to encourage, by all appropriate means, a new understanding of the missionary task today. We believe the whole world is a mission field and we work with cooperative Protestantism in the cause of missionary education, but our primary task is with the members of The Methodist Church.

Three (3) Sub-District Missionary Institutes were held on the Shreveport District, viz. Mansfield; Shreveport; and Monroe. There were District rallies on the other districts during the year. The Church-Wide Mission Study Book "The Arm of Compassion," Methodism's Ministry to the Handicapped, by W. Vernon Middleton, was extensively used. An appeal for blankets for Algeria was issued and the response was conference wide. The tremendous challenge of the Church Extension is the need for new Congregations. Basically we recognize that the Holy Spirit accomplishes the work of Missions. The human structures and personnel are tools and servants through which the Spirit does His work in His Power. W. S. P. Norris, District Supt., Shreveport District has started a project for a new congregation in attempting to establish a Methodist Center and Church on the Campus of Grambling College. Honor Helpers have pledged \$5.10 per member for this project.

Leaders of the Division of National Missions of the Board of Missions are pressing an emergency crusade, endorsed by the Council of Bishops, for funds through Advance Specials for the Alaska Methodist University in Anchorage. The emergency is caused by the necessity of finding \$1,000,000 for the ongoing program and \$1,000,000 for building funds including a student center and a physical education building. Alaska Methodist University provides a liberal arts education for hundreds of youths who otherwise might be denied this privilege to be prepared for Christian leadership in the Churches and communities in Alaska. Alaska University merits the continued support of all of us. Now that an emergency has come, we urge every church to set up an Advance Special for this cause.

### Recommendations

1. Chairmen of local commissions on Mission use one or both of the resource books approved by the General Board of Education for Church-Wide Study, "Our Mission Today: Beginning of a New Age," by Tracey K. Jones, Jr. and "The Bible and God's Mission," by six different authors.
2. The Conference Missionary Secretary through the cooperation of the District Superintendents present: "Our Mission Today" to the ministers in every district at some designated place.
3. That there be a Church-Wide School of Missions in each local Church, and reports therefrom be sent promptly to the Conference Missionary Secretary.
4. That a Missionary Institute, Workshop, or Rally for Missionary education be held on each district under the supervision of each District Missionary Secretary. That there be also a coaching program for local church commission chairman to promote education in the local church.

Respectfully submitted,  
J. F. Johnson

## REPORT OF COMMISSION ON CHRISTIAN SOCIAL CONCERNS

School Drop-Outs which approximate more than 30% in Louisiana; school desegregation; Sit-Ins, reverse freedom riders; minority voter registration stumbling blocks; inequities in housing and employment opportunities for minority groups; the lack of diversification of educational opportunities for Negroes are but a few of the problems the leaders of the Louisiana Annual Conference face—Problems upon which many of the churches have been concentrating their efforts during this conference year. This has been evidenced by the reports received when the Conference Chairman visited the fourth District Conferences this year.

Inter-racial meetings on all levels; voter registration schools in many of our churches; career Clinics, panels and talks to High School and college graduates; parent groups and civic groups pointing up the necessity for a more profound effort toward eradication of these evils have been a part of your Chairman's job during this Conference year.

Our emphasis for next year will be focused on "Moral Man and Moral Society." If we are to do an effective job we must secure adequate resource material; we must have well organized commissions on a District and local Church level with regular and interesting meetings as well as on-going community projects. Man knows RIGHT Over AGAINST WRONG. We pray for goodness and Mercy of God, yet, how cold and irresponsive are we to our Heavenly Father. In a day when 66% of all married women are working, and when one out of every 14 married women in our nation is either separated or divorced, this fact alone, heightens the Church's Concern of the Moral infection in Mankind, that is rapidly destroying the hope and evidence of a moral society. Moral Man and Moral Society must be transformed by God's Redeeming Power of the Refiner's Fire, that need go through the heart of every believer, and illuminate our Souls. This can only be done through the Lordship of Jesus Christ, and our united efforts of Concern, that mankind everywhere might be redeemed and Society transformed by the Holy Spirit.

### REPORT OF THE COMMITTEE ON COURTESIES AND PRIVILEGES

Bishop Noah W. Moore, Jr., officers and members of the 96th Session of the Louisiana Annual Conference, Central Jurisdiction: The Committee on courtesies and privileges submits the following report:

We are deeply grateful to Rev. and Mrs. N. H. Baker, Host superintendent, New Orleans District, Rev. and Mrs. N. P. Williams, host pastor, and the loyal members of Hartzell Methodist Church and their many friends for making this 96th Session a memorable one.

It has been said that "the choir is the voice of God's people praising Him, thanking Him, and beseeching Him." The choirs of Hartzell, First Street, Wesley of Baton Rouge, Grace, The District Choir of New Orleans District, lifted the voice of God's people.

The inspirational messages of Dr. Dennis R. Fletcher, Delaware Conference, and the Church Extension Board, will long be remembered. The warm greetings coming from Councilman Daniel L. Kelly—City of New Orleans, Dr. J. B. Morris, Mr. Jesse Cook, Mrs. Zenobia M. Johnson, Rev. S. L. Harvey, Mrs. Lillie Zilton, Dr. J. Mack Spears, and Dr. R. H. Tucker, helped to make our welcome impressive.

Telegrams and messages from Revs. C. O. Greene and Edward A. Kennedy, Jr., Tindley Temple Methodist Church, Philadelphia, Pa., Bishop Audrey G. Walton, Louisiana Conference, South Central Jurisdiction, Bishop Charles F. Golden, East Tennessee Conference, (CJ), and Rev. S. Barze, all expressed their concern for the affairs of this conference and added blessings. Words of expressions from Revs. A. W. Ricks, Petty's AME Zion Church, H. Rogers, Noah Copelin, Greater Liberty Baptist Church; C. C. Bourgeois, Dr. Matthew S. Davage, and the inspirational message of Dr. A. W. Dent in behalf of Higher Education, filled the doubtful with hope.

We regret the passing of five ministers and two supply pastors this year, along with many prominent and loyal laymen. The memory of their valiant service will long be remembered in the annals of the Conference.

And yet, we have cause to rejoice for the largest group of young men seen to enter the Conference on Trial was received this year. Those ordained as deacons are: Simon E. Harris, Henry L. Gage, Louis Streams, George W. C. Calvin; those ordained as Elders are: Alfred L. Norris, Thomas R. Wallace, Jr., and Hezekiah K. White, Jr. The majority of these young men are "lengthening shadows" of their sires who held leadership in the Conference before them. We pray God's blessings upon them

that they will be guided to do great things for God. Rev. Robert Williams is to be commended for his sacrificial decision of going into the seminary for formal training as a minister of God. We are deeply thankful for the splendid leadership of Bishop and Mrs. Noah W. Moore, Jr. His emphasis on the "True Mission of the Church" has enlightened the ministers and laymen. Under the guidance of the Bishop, the Louisiana Annual Conference is moving to new heights of Christian endeavor. The radiant and lovely smile of Mrs. Moore has been an inspiration to many. For them we pray a long and happy life and that the future years will add new joys to those they have left behind—"Together."

Respectfully submitted,  
W. S. P. Norris, Chairman  
W. R. Butler, Sr., Secretary

### COMMISSION ON MINIMUM SALARY PROGRESS REPORT

In compliance with paragraph 826, 1960 *Discipline*, the Louisiana Annual Conference have initiated a Minimum Salary Plan and also a Commission who shall provide necessary plans for raising this income and administering the same. In our report last year we urged that the plan be put into actual use but there has been too little participation by those who will most benefit from the plan. We have failed to realize that this plan is an important item of ministerial support, as important as any other item of the budget. The treasurer reports an accumulation of only \$2,454.08 in the fund. This is very inadequate to meet any emergency which could arise in any of the charges where ministers are badly underpaid. The adoption of this stipulated that you wanted to help make this part of the program a reality.

We urge that the District Superintendents follow the directives Section IV, paras. 1 and 2, as found on page 87 of the 1961 Journal. This is a source of help to ministers assigned to charges who cannot give full time service because of support. The Commission welcomes the opportunity to visit your District Conferences for a seminar on this aspect of our ministry which affects each one of us.

O. W. Christopher, Chairman  
J. C. Bibbons, Act. Secretary

### LOUISIANA ANNUAL CONFERENCE BOARD OF TRUSTEES

May 29, 1963

To: The Louisiana Annual Conference  
Hartzell Methodist Church  
New Orleans, Louisiana

Greetings:

The Louisiana Annual Conference Board of Trustees submits the following report of its activities in conducting the affairs of the Episcopal Residence, at 219 So. Miro St., New Orleans, La.

In agreement with the plan proposed by the Area Council of Sep-

tember 7, 1961, the Louisiana Annual Conference has paid the pro-rata share of the appraised value of the Episcopal Residence to the two Mississippi Conferences in the amount of \$5,000.00. The final payment this year will liquidate the claims of those conferences in this matter.

This year, the Executive Committee, in consultation with Bishop Noah W. Moore, Jr., deemed it feasible to offer the property on the Real Estate Market. The chance of getting a fair and equitable price seemed very good, and the committee secured the services of Mr. Lionel Treadway, Realtor, who at this writing informs us that he has two or three splendid prospective buyers. The property is being offered for a sale price of \$45,000.00.

The following recommendations are made to the Annual Conference for approval:

(1) That the liquidation of funds received from sale of Episcopal Residence be discussed at the Area Council, if sale is consummated at that time; and that the representatives of this conference be empowered to Act.

(2) That the following representatives of Louisiana Annual Conference Board of Trustees be confirmed as follows:

1964: N. H. Baker 1965: T. E. McElroy 1966: W. T. Handy, Jr.  
G. W. Carter, Jr. J. C. Bibbons

(3) That the following classes of Trustees for the Louisiana Annual Conference be confirmed:

R. S. Taylor J. C. Bibbons W. T. Handy, Jr.

**A REPORT FROM THE FOURTH NATIONAL STUDY CONFERENCE ON THE CHURCH AND ECONOMIC LIFE**

Upon invitation from Bishop Noah W. Moore, Jr., to attend the conference as a Delegate from the New Orleans Area and with the blessings of financial assistance from Camphor Memorial Church, I was able to attend this meeting held in Pittsburgh, Pennsylvania, November 8-11, 1962. The Executive Director, Rev. Cameron P. Hall asked that I serve on the General Conference Report Committee, which was composed of many notable persons in the professions, business, labor, agriculture, religion and government. There were more than 400 in attendance.

The six topical groups had the following topics under the Conference theme:

- a. Impact of Technology and Economic Change on the Family and Patterns of Community Behavior.
- b. Impact of Technology and Economic Change on Work, Employment, and Labor-Management Relations.
- c. Role and Responsibility of the Consumer and How He Exercises It.
- d. Massive and Monopolistic Economic Power.
- e. Problems of Basic Resource Development and Use.
- f. The U. S. Economy and the World Economy.

Excerpts from the General Conference Report reveal the tenor of the meeting and its Aims:

This is our Father's World—all of it; the countryside, the cities, the fields, the forests, the societies and their structures. Not part of his will for part of his World, but his will for His World.

Jesus Christ is the Lord of life—all of it; the precious inner life; the public life; the hidden life of contemplation; the common life; all are aspects of that life which Christ claims to rule. The Church is for people—all of them. Not only for those inside, but those outside; not only for those who agree, but those who disagree. The Church of God does not favor the few; it focuses on MAN.

The deepest concern of the Christian Church is with the relation of human beings to God and to one another as his children. He did not limit the Second Commandment of His Son to any particular kind or race of people or a time or age.

It is our Christian duty to share our abundance with less fortunate people in this country as well as abroad, whether or not they are aligned with us politically, socially, or economically. We are not loving our neighbors as ourselves when we permit involuntary unemployment. The buying power of the people must be expanded with production. In certain sections of the country 21% of the Negro labor force is unemployed as against a national average of 8%.

The influence of the Church must be felt in the development of every avenue for the exercise of creative and artistic talents of all people. The Church encourages giving economic and technical assistance to undeveloped and emerging nations. It, therefore becomes a concern of the Church that family life be revitalized, more creative, vitally restored, that the values of those of the community who need the Church can restore command over their destinies. The Churches cannot content themselves with being established institutions in a finished society. The society is in violent flux and change. The Church must bring its resources of mind and Spirit to bear to the extent that necessary social and economic adjustment are made in our society. The challenge of our time will be met only if the voice of the Christian Church is so clearly prompted by both understanding of the changing world and the inspiration of God's eternal truths that the voice will be one of authority over the actions of willful men and women in this dynamic age.

It was resolved, that the members of our Churches work for the preservation and support of such policies as will further private ownership of lands and homes among all people; increase the quantity and quality of agricultural production where needed and facilitate the equitable distribution and use of temporary surpluses. The Protestant Churches rightly believe that they should assume the leadership in having those in authority to make every effort to correct economic evils in our society. They should have a message for the people of this country as it relates to their economic welfare. The ministers are expected to assume the leadership in much of this endeavor.

Dr. Hezekiah H. Jackson

### LAFON PROTESTANT OLD FOLKS

Mr. District Superintendent, Members of the New Orleans District Conference and Friends:

I wish to make this brief report on the work of the Lafon Protestant Old Folks Home which stands as the arm of mercy of the Louisiana Conference located within the bounds of the New Orleans District but reaching out to serve the aged, the sick, the homeless and the needy throughout the Conference. This institution is symbolical of the words of the ancient seer: "I once was young but now I'm old and I have never seen the righteous forsaken or his seed begging bread."

The present year marks the realization of many of our hopes for expanded services. During the year, the Home has served the largest number of people in its history and presently it is filled to capacity. In recent months, the second floor section which formerly served as the Director's residence, has been made available to give domiciliary care to the ambulatory residents of the Home. The entire single story section of the building has been recovered with a new roof. The physical appearance of the building has been improved by the installation of grilled iron work beneath the upper porch and extending to the ground. Aluminum screens were installed across the entire front of the building. The bricks were recently painted to correspond with the new bricks of the Brooks Methodist Church soon to be completed adjacent to the Home building, giving the appearance of a single unit across the entire square. Upon completion

of the Church, the present Chapel will be converted to an infirmary which will supply one of the great needs in the medical care of our residents. Three new floor furnaces have been installed. The central heating plant has been extended to all the rooms on the ground floor of the building.

We express our deep appreciation to Bishop Moore, the District Superintendents, the clergy, laymen and friends for their continued interest and support.

Respectfully submitted,  
C. O. Greene, Director

**PEOPLES METHODIST COMMUNITY CENTER  
"ANNUAL REPORT"  
MAY—1963**

"Broadening Our Concern For The Welfare of *Others*," has been the guideline for the seventeen member staff of The Center, during the past twelve months. The total registration in all departments and the schedule of activities are indicative of the impetus we have gained from this line of thinking.

Our total registration in all departments is 512 persons and 180 children of this number receive regular Day Care Service. In the Group Work Activities 75 Teenage Girls do Club Work and 110 Teenage Boys make The Center the place for their leisure hours.

The demand for our various services has grown to such proportions that we had to refuse 75 pre-school children admission last September, for lack of space. We are investigating the possibilities of securing other facilities near The Center to supplement the services we now offer. The Parent-Teachers Club and The Mothers Club have worked diligently to aid in the Expansion of the facilities.

One hundred-fifty (150) boys and girls from ages 8-14 years registered from our four-week Vacation Bible School and our six-week Summer Day Camp. The features were Arts and Crafts, Music and Folk Dancing, Dramatics and Literature and Six Outings to the beach, the parks and the museums. Most of the 10-14 year old children have been attending The Center's Activities since they left The Kindergarten. Six young college students and college graduates worked on our summer staff. We will use just as many during the approaching season.

**REPORT OF SAGER BROWN HOME, BALDWIN, LOUISIANA**

**Rosie Ann Cobb, Superintendent, 1962-63**

The work of this project has continued in the general direction of training for Christian living.

The average number of children living in the dormitories per month has been sixty. Most of these children are those whose lives have in some manner been affected by a non-unified family life. Others are here because they are handicapped in some way and there are no other facilities available for them. Their families have placed them here with the hope that just being in this environment will produce some favorable change in their lives.

The staff consists of fourteen persons: superintendent, secretary, two house parents, seven teachers, one cook, laundress, and maintenance man. Each has done a remarkable job this year.

Our children share in the general up-keep of the buildings and grounds. They engage in other activities such as: Church School, Vacation Church School, Boy Scouting, MYF, and other activities of the St. Mary Parish Educational Association.

We have been hosts to civic and mission tour groups and to the Louisiana Conference Woman's Society of Christian Service School of Missions. Many other church groups and many individuals have also visited us. All of our visitors have been a source of inspiration and pleasure to us.

Godman School has enrolled 164 pupils during the year with the enrollment in each grade as follows: Kindergarten-34, First Grade-20, Second Grade-15, Third Grade-24, Fourth Grade-20, Fifth Grade-14, Sixth Grade-12, Seventh Grade-15, and Eighth Grade-10.

The recently set up library contains a well-balanced collection of 1,180 books, subscriptions to some twelve or more magazines and newspapers, and a small supply of audio-visual materials.

The school participated in the Annual St. Mary Parish Elementary Achievement Day and won many awards. The school annually holds a May Day Festival which attracts the interest of schools, clubs, and other organizations in the vicinity. This is the main fund-raising activity of the institution.

The choir has filled many engagements this year. Through its performances much publicity is gained for the school. Invitations to perform in churches and for church groups are always welcome.

The operating revenues for the year ending May, 1962 amounted to \$60,355.00; disbursements were \$56,347.34.

We are grateful indeed for the support that our friends have given us across the years and we trust that we shall have your continued support and cooperation in future years.

### LOUISIANA CONFERENCE WOMAN'S SOCIETY OF CHRISTIAN SERVICE

Bishop Moore, Ministerial and Lay Members of the Louisiana Annual Conference, The Methodist Church, Central Jurisdiction:

This has been a challenging but rewarding year for the Conference Woman's Society of Christian Service and the Wesleyan Service Guild. The Statistical reports show an increase in membership, with two districts showing new societies organized; Baton Rouge—3; New Orleans—1. The present membership of the Woman's Society is 2,783 and the Wesleyan Service Guild has 276 members. The financial budget shows a total amount raised for all purposes of the Woman's Society's work to be \$5,720.99; while the Wesleyan Service Guild raised 1,848.52 for all its purposes. This does not include the more than \$17,000.00 raised by the women in other local church projects.

Four delegates attended the Annual Jurisdictional Meeting in Daytona Beach, Florida. Three members of the Conference are serving as Jurisdictional officers in the Woman's Society of Christian Service and two members of the Conference Guild are serving as Jurisdiction officers. The annual meeting of the Woman's Society was held at Mt. Zion, New Orleans, April 25-27, 1963. The Wesleyan Service Guild held their meeting at First Street, April 27-28. Mrs. Velma Jeter, Jurisdictional Secretary was the Keynote speaker for the Guild in a joint service held at Mt. Zion Church. The message of Bishop Moore and the presence of Mrs. Moore highlighted the Annual meeting.

The School of Missions will be held at Sager-Brown School, Baldwin, La. June 30 through July 5, at which time the Courses of Study for this year's work will be presented and studied. Each pastor is asked to see that at least one representative from charges where there is a Woman's society, be sent to this School of Missions. Many of the women are members

of the United Church Women. The Conference President is a member of the Louisiana Provisional Council of Churches. Representatives from the Guilds in the Conference will attend the School of Missions and take part in the Guild Clinic.

In behalf of the Conference Woman's Society of Christian Service and the Wesleyan Service Guild, we express appreciation to the Bishop, District Superintendents and Pastors for their leadership and support of the Women program. We feel that we are an integral part of this facet of the program of the Methodist Church.

Mrs. Veora Lundy, Pres. W.S.C.S.

Mrs. Owenda W. Taplette, Sec. WSG

### **REPORT OF MINISTERS' WIVES ASSOCIATION**

The swiftness with which time passes should be very meaningful to us. Certainly we should think seriously about our future security; therefore our Pension Fund should remain uppermost in our planning.

We are grateful for Bishop and Mrs. Noah W. Moore, Jr., for the unselfish service they have given in increasing our Pension Fund. They desire that we have future security; they gave us advice, encouragement and moral support each step of the way.

The wives of the District Superintendents are to be commended for their fine leadership. Each lady of the Manses throughout the conference gave of their time, and their money to make this report a reality. We also acknowledge words of encouragement from Mrs. William C. Strother of Philadelphia.

As we look forward to the retreat at Huston-Tillotson College in Austin, Texas we envision an opportunity for spiritual enrichment and cultural exchange. A closing reminder from Henry Ward Beecher: "If you want your neighbor to see what the Christ Spirit will do for him, let him see what it has done for you."

### **Obituary**

We mourn the loss of Mrs. Inez Lucille Porter Harris, born August 7, 1907, in Slidell, La., daughter of late Simon E. and Ada Alfred Porter. She married Rev. T. R. W. Harris July 31, 1924 and to this union were born four children: Albert, Theodore, Jr., Thelma, and Simon. She expired on Tuesday, July 24, 1962, at Flint-Goodridge Hospital, New Orleans. She was a member of Daylight Chapter #36, O.E.S., Christian Advancement Association, Woman's Auxiliary of Flint-Goodridge, Past President Ministers' Wives Association. A conscientious, consistent and Christian worker in the Church and the community has surely turned her star to that distant shore; and "I hope to see my Pilot face to face; When I have crossed the bar."

Mrs. O. W. Christopher, President

### **FLINT-GOODRIDGE HOSPITAL OF DILLARD UNIVERSITY HISTORY**

A humble beginning in the 19th Century . . . A wedding of names. . . . A new home when separate schools unite. . . . Rebirth at the peak of the

depression . . . financial crisis and big growth in recent years. These are the highlights of the Flint-Goodridge Story.

**THE HUMBLE BEGINNING.** It dates back to 1896 when a handful of Negro women opened the seven-bed Phyllis Wheatley Sanitarium and Training School. New Orleans University took over the project in 1901 as an adjunct to its Medical college, enlarged it to 25 beds, and named it the Sarah Goodridge Hospital after the mother of its chief benefactor, Caroline Medge of Boston, Massachusetts.

**A WEDDING OF NAMES.** Heavily endowed by John D. Flint, New Orleans University's Medical College bore his name until it was discontinued in 1911. The adjoining buildings at Canal and South Robertson that had been occupied by the Flint Medical College and the Sarah Goodridge Hospital were then converted into a 50 bed facility under the combined name of Flint-Goodridge Hospital.

**A NEW HOME AND REBIRTH.** Almost 20 years later, New Orleans University and Straight College merged, resulting in the establishment of Dillard University. The Movement was begun by a group of local citizens in cooperation with the Board of Education of the Methodist Church and the American Missionary Association of the Congregational Church. Flint-Goodridge Hospital was erected on its present site in 1932 as the new school's first unit . . . at a cost of  $\frac{1}{2}$  Million Dollars.

The hospital's early growth was impressive. Here began the Penny-a-Day plan, a forerunner to Blue Cross. As its educational program broadened, Flint-Goodridge sponsored training courses for physicians that drew medical men from across the South.

**CRISIS.** World War II ushered in a series of problems. In the 30's the hospital's main concern had been filling empty beds. Now a steady stream of workers from rural areas poured into New Orleans for Defense-Plant jobs, bolstering the community's wealth and population . . . and severely taxing the hospital's services. Flint-Goodridge was hard-pressed from every side; swamped by the rising tide of patients on one hand and crippled by an acute personnel shortage on the other. Eventually one complete floor had to be closed down. By the late 40's the institution was faced with financial crisis.

**NEW GROWTH.** The cloud began to lift at the end of the decade. The indebtedness was paid off. Salaries increased. The building was renovated and properly staffed. The Blood Bank and School of Anesthesia were set up.

In 1953 the Flint-Goodridge Board of Management was formed and the hospital, which had been run by institutions of higher learning for over 50 years, began operating on its own as a community enterprise.

During the next five years a Recovery Room and Formula Room were added . . . New boilers purchased . . . laboratories expanded . . . every improvement short of major construction was completed. A successful funds drive was launched in 1958. A  $1\frac{1}{4}$  million dollar expansion and modernization program began the following year, and was completed in 1960. It practically doubled the size of the hospital, increasing bed capacity from 83 to 150. What started out as a Penny-a-day venture with 25 beds is now an institution well equipped, staffed, and with 150 beds.

Flint-Goodridge is a voluntary, non-profit hospital, fully accredited

by the Joint Commission on Hospital Accreditation. It has filled a unique need as the only institution in the state offering Negroes training opportunities along with private care. The Flint-Goodridge School of Anesthesia has graduates serving with distinction all over the country. Through its affiliations with Dillard University and the Orleans Parish School Board, the hospital maintains training programs for both graduate and practical nurses. Three hundred and forty-four physicians are associated on the medical staff, including top-flight specialists available for consultation. This then is Flint-Goodridge story today; what it will be depends upon the community of which it is so vital a part. It is one of the many challenges to the people called Methodist to support this historic venture that is a monument to sacrifices over and above the call of duty.

### RESOLUTION

WHEREAS: No study has been made of the economic factors across the geography of our Conference for the past fifteen years, and,

WHEREAS: This Louisiana Annual Conference did in 1962 session authorize and direct a special committee to study and devise a plan that the quotas to the several charges be derived by a decimal plan, and,

WHEREAS: A study has indicated that the trend in the Methodist Annual Conferences is to have the apportionments made directly to the several charges using a decimal plan.

BE IT THEREFORE RESOLVED, That the apportionments of the Louisiana Annual Conference beginning at this session be made directly from the Conference Commission on World Service and Finance to the several charges, using a decimal system.

BE IT FURTHER RESOLVED, That the factors for the decimal plan be:

1. 2/3 based on Membership. (The figure to be taken from the latest figure given to the Conference Statistician or the Fourth Quarterly Conference, whichever is higher).

2. 1/3 based on the percentage of the Annual Conference asking for the last three years for World Service and Annual Conference Benevolences.

BE IT FURTHER RESOLVED, That the Conference Commission on World Service and Finance be authorized and directed to implement the foregoing plan and spirit of this resolution, and to make recommendations for adjustments, if deemed necessary, at the next session of this Annual Conference.

## AUDITOR'S REPORT

September 25, 1963

Louisiana Annual Conference  
Central Jurisdiction, Methodist Church,  
631 Baronne Street,  
New Orleans, Louisiana.

Gentlemen:

In accordance with our engagement, we have conducted an examination of certain books and records of the Louisiana Annual Conference of the Central Jurisdiction of the Methodist Church for the period from July 1, 1962 thru June 3, 1963. We now submit our report thereon, including the exhibits and schedule as indexed on the preceding page.

### **Scope of Examination Exhibits and Schedule**

We present in Exhibit "A" a summary of your receipts and disbursements for the period under review, supported by Exhibit "B," the Statement of Cash Receipts and Exhibit "C," the Statement of Cash Disbursements. The two latter Exhibits show detailed classifications of the receipts and disbursements, respectively. By referring to Exhibit "A," you will note that there was a balance in your bank account at July 1, 1962 in the amount of \$11,496.44 and in the First Federal Savings and Loan Association of Scotlandville a total balance of \$4,470.32. At June 3, 1963 your bank had increased to \$11,868.08 and your savings accounts had increased to \$6,452.72, resulting in a total net increase of cash during the period ending June 3, 1963, in the amount of \$2,354.04.

### **Receipts and Disbursements**

All deposits as recorded in the Cash Receipts book were traced to the bank statements. Certain columns in the Cash Receipts book were re-added and the total of all columns cross-footed. Receipts from the various Districts as evidenced by the Treasurer's Reports compiled during the period from July 1, 1962 thru June 3, 1963 were traced individually into the Cash Receipts books and no material differences were found. The total of all maintenance appropriations from the Division of National Missions submitted for our examinations were found to be in agreement with the total as recorded in the Cash Books. All receipts are reported in Exhibit "B" as they are recorded in the Cash Receipts book.

All paid checks were examined for correct signatures and endorsements and were traced to the Cash Disbursements book. Certain columns in the Cash Disbursement books were re-added and the totals of all columns were cross-footed. Disbursements for District Maintenance were compared with the maintenance appropriations received during the period ending June 3, 1963, and were found to be substantially in agreement. The various columns of the Cash Disbursements book were analyzed and are reported in detail in Exhibit "C." The distribution of the Cash Disbursements balanced with the total checks issued and the bank account was reconciled as shown in Schedule #1, Bank Reconciliation.

No outside verification of any of the figures contained in this report was effected.

We wish to take this opportunity to express our appreciation for your having entrusted this assignment with us and to highly commend your Treasurer on the efficient manner in which his accounting records were maintained during the period ended June 3, 1963.

Respectfully submitted,  
CABALLERO and ROGERS

### IN MEMORIAM

The preciousness of life and the sweetness of work would adequately describe the seven stalwarts of the Louisiana Annual conference, who this past year, put their armor down to answer the clarion call of their Maker.

THOMAS R. WALLACE, SR., a pioneering, enterprising leader, whose journey around the Circuit of the Conference was very interesting and rewarding, passed through the portals of rest on January 26, 1963.

HUBBARD DANIELS, a product of the Louisiana Conference, a builder and preacher, closed the last chapter of his book on March 16, 1963 and bid a fond farewell to these mundane shores.

CHARLES CHRISTOPHER SMITH, a giant in God's great forest of tall Oaks, a laborer for the Master, who served with distinction the charges of this Conference, took his last appointment on September 20, 1962 to rest from labors that seemed never to end.

JOSEPH C. WILLIAMS, closed the last chapter of the "Four Horsemen" whose sermons troubled the souls of lost men and convicted them of their sins. He laid his tools by the side of the road on September 27, 1962 to "study war no more."

JAMES A. WILLIAMS, a pioneer of eighty-one years with service credit of 48 years, grew weary of the trials in this world and put on the "robe of immortal bliss" when he stepped on the shores of eternal rest on December 4, 1962.

B. F. BROWN and ALBERT WILLIAMS, two willing helpers in God's natural vineyard passed to their glorious reward this year. They supplied many of the churches without hope of pay or reward.

The memory of these linger upon the altars of our hearts as we recall the pleasantness with which they accepted the challenges of their TASK.
